

For students seeking admission to the intercampus program:

## PRE-SPEECH-LANGUAGE PATHOLOGY PLANNING GUIDE

**Pre-Speech-Language Pathology** is a track made up of courses required for entry to KU's Master of Arts in Speech-Language Pathology program. Students should plan to major in Speech-Language-Hearing for their undergraduate degree. The Speech-Language Pathology program offers an accelerated program for current KU SPLH undergraduate students, but students must apply and be accepted. Students interested in the accelerated program should contact their advisor ASAP.

REQUIREMENTS	OPTIONS AT KU	KU CORE	NOTES
Physics of Speech	SPLH 220*	1.2	MATH 101 or equivalent pre-requisite.
Principles of Speech Science	SPLH 462		
Principles of Hearing Science	SPLH 463		
Fundamentals of Clinical Phonetics	SPLH 465		
Language Sample Analysis	SPLH 565*		
Language Development	SPLH 566	3S	
Audiology Assessment and Rehabilitation	SPLH 568		Fulfills BGS Career Course requirement.
Speech-Language Pathology	SPLH 571		Fulfills BGS Career Course requirement.
Research Methods	SPLH 660	6.1	
Biological Science	BIOL 100, BIOL 150*, etc.		Required by the American Speech-Language-Hearing Association (ASHA).
Physical Sciences	PHSX 114*, CHEM 110*, etc.		Required by the American Speech-Language-Hearing Association (ASHA).
Social Sciences and Behavioral Sciences	SOC 104, PSYC 104, ANTH 100, WGSS 101, etc.		Required by the American Speech-Language-Hearing Association (ASHA).
Statistics	MATH 365*, PSYC 210*		Required by the American Speech-Language-Hearing Association (ASHA).

RECOMMENDED	OPTIONS AT KU	KU CORE	NOTES
Survey of Communication Disorders	SPLH 161	3S	

### IMPORTANT NOTES

- Students interested in continuing on to a Speech-Language Pathology doctoral degree must complete their master's in Speech-Language Pathology first.
- The Graduate Record Examination (GRE) is no longer required.
- Students are required to have completed 25 hours of direct clinical observation. Clinical observation is part of the undergraduate SPLH degree.
- Application requirements include a resume, short answer/personal essay, and letters of reference.

\*Courses marked with an asterisk have pre-requisites not already listed above.
