

PRE-HEALTH INFORMATION MANAGEMENT PLANNING GUIDE (CORE 34)

Admission Requirements: A minimum GPA of 2.5 is required to be considered for admission to the Health Information Management program at KUMC. A grade of C or better is required for all prerequisites.

Application Deadline: The priority deadline is February 1 each year. If seats are still available, the program may accept applications after the deadline.

More information is available at prehealth.ku.edu.

THINGS TO CONSIDER

- Students are required to complete 60 credit hours before starting the HIM program.
- Health Care Management and Digital Health minors are available.
- Two references are required: one from an instructor and one from a manager or supervisor.
- Schedule an appointment with the University Career Center to prepare your resume for application.
- To be admitted, students will be asked to verify that they can meet the technical standards (visual/auditory, sensory/motor, etc.) with or without accommodations. Applicants who disclose a disability are considered for admission if they are otherwise qualified.
