THINGS TO CONSIDER

- Students are required to complete 60 credit hours before starting the HIM program.
- Health Care Management and Digital Health minors are available.
- Two references are required: one from an instructor and one from a manager or supervisor.
- Schedule an appointment with the University Career Center to prepare your resume for application.
- To be admitted, students will be asked to verify that they can meet the technical standards (visual/auditory, sensory/motor, etc.) with or without accommodations. Applicants who disclose a disability are considered for admission if they are otherwise qualified.
