

PRE-OCCUPATIONAL THERAPY PLANNING GUIDE (KU CORE)

Pre-Occupational Therapy is a track made up of courses required for entry to KUMC's Occupational Therapy Doctoral program. Students complete these requirements alongside the bachelor's degree of their choice. Other schools may have different admission requirements.

Admission Requirements: The application deadline is October 1. A minimum of a 3.2 cumulative GPA is required for application.

More information can be found by visiting prehealth.ku.edu.

REQUIRED	OPTIONS AT KU	KU CORE (SUMMER 2024 & BEFORE)	NOTES

RECOMMENDED	OPTIONS AT KU	KU CORE (SUMMER 2024 & BEFORE)	NOTES
Sociology	SOC 104	4.1	Required for other OT programs.

*Courses marked with an asterisk have prerequisites not already listed above. Please see a Pre-Health Academic Advisor for guidance.

THINGS TO CONSIDER

- 18 of 24 required admission hours must be completed before applying, with anatomy and physiology included in those 18 hours. Any remaining admission requirements must be completed by the start of the OT program.
- No grade lower than a C will be accepted on prerequisite courses. Students must have a 3.2 GPA for prerequisite courses.
- Healthcare experience with an occupational therapist with direct patient contact is no longer required for KU but is required for some programs.
- The GRE is not required for KU's OT program, and scores are not considered in the admission process. It is required for some programs.
- The admission process includes a personal statement, three references, and an interview. References should be written by a professional, advisor, instructor, or supervisor who can attest to the applicant's potential success in the program and future contributions to the occupational therapy profession.
- Applications may be submitted with coursework still in progress but must indicate the student's plan for completion prior to beginning the program. All prerequisites must be completed before starting OT coursework.
