

PharmD Program

Pre-pharmacy curriculum

Courses include general and organic chemistry, molecular & cellular biology, microbiology, physiology, anatomy, statistics and calculus. The curriculum is designed to introduce a wide variety of topics and cultures and strengthen critical thinking and communication skills. The pre-pharmacy curriculum takes about two years to complete.

Professional curriculum

The PharmD curriculum combines science and clinical knowledge with professional skills to prepare students to solve patient problems. Students study medicinal chemistry, pharmaceutical chemistry, pharmacology and toxicology, pharmacotherapy, law, ethics, drug information and management. The skills lab prepares students to counsel patients, give immunizations, compound drugs and operate a wide variety of medical devices.

PCAT (optional, **not required**)

The Pharmacy College Admission Test (PCAT) was a standardized exam for prospective pharmacy school students. **The PCAT was discontinued in January 2024.**

The KU School of Pharmacy is home to one of the nation's top-ranked Doctor of Pharmacy (PharmD) programs. Our graduates are pharmacy practitioners who work in a wide variety of settings, including retail, hospitals, academia, government, industry, managed care and more. The six-year course of study includes two years of pre-pharmacy coursework, three years of full-time classroom and laboratory work and a final year of clinical rotations.

The KU School of Pharmacy hosts an annual Summer Camp for high school students and incoming college freshmen. Visit the KU School of Pharmacy website to learn more.

Admission requirements

- 2.50 or higher pre-pharmacy college GPA (Required classes on next page)
- All pre-pharmacy grades must be C- or higher
- Complete the PharmCAS application (PharmCAS.org)
 - Official transcripts from each college attended
 - Three recommendations (submitted via PharmCAS)
- Apply to KU (Admissions.KU.edu/apply) - *if not already attending*

Application timeline

- PharmCAS application period: August 1 - June 1
- Interviews: throughout the application period
- Admissions decisions: made on a **rolling basis**

Pre-pharmacy worksheet

PharmD Prerequisites

Quantitative

_____ Calculus	MATH 115
_____ Statistics (Choose one)	MATH 365 BIOL 570 DSCI 202 PSYC 210
_____ Physics	PHSX 114

Biology

_____ Molecular & Cellular	BIOL 150
_____ Human Anatomy	BIOL 240
_____ Microbiology	BIOL 400/402
_____ Mammalian Physiology	BIOL 546/547

Chemistry

_____ General Chemistry I	CHEM 130
_____ General Chemistry II	CHEM 135
_____ Organic Chemistry I	CHEM 330/331
_____ Organic Chemistry II	CHEM 335/336

General Education (required pre-pharmacy)

_____ English Composition 1	ENGL 101/105
_____ English Composition 2	ENGL 102/205
_____ Oral Communication (Choose one)	COMS 130/131 COMS 244/322
_____ Arts & Humanities / Ethics	any 1 AH
_____ Social & Behavioral Science	any 1 SBS
_____ U.S. Culture	any 1 USC
_____ Global Culture	any 1 GLBC

67+ credit hours
